(VIDA + VENCER)

Partnership:

THE INSURANCE THAT HELPS YOU OVERCOME LIFE'S GREATEST CHALLENGES

Financial protection in case of cancer (breast, colorectal, lung, stomach, prostate, ...) including non-invasive (in-situ) cancer. The sum insured becomes available upon diagnosis (eg: stage 1 prostate or breast cancer).

ENHANCED PROTECTION

The sum insured for protection from invasive cancer is 10 times higher than that for death.

We also give you additional protection against non-invasive cancer (eg. in situ).

FLEXIBLE USE OF SUM INSURED

You have complete freedom to use the sum insured wherever and whenever you wish. For example, to support your family financially, hire support from others, travel or fulfil one of your dreams.

SUPPORT IN CANCER PREVENTION WITH A YEARLY CHECK-UP

Survival rates with good quality of life are high, especially when the disease is detected early.

Our product includes a yearly preventive consultation with a doctor who may prescribe exams at negotiated prices, in partnership with the CUF healthcare network.

POST-DIAGNOSIS FOLLOW-UP

If you choose a private treatment, you will have access to the AdvanceCare providers network at negotiated fees.

When you leave the hospital, we will call you on the phone to assess the situation, give you advice and boost postoperative care through the Welcome Home programme.

MAKE THE RIGHT CHOICE TO CONTINUE PROTECTING YOUR LIFE

More than providing capital, we help our Clients get on with their lives after a cancer diagnosis.
